

WEB DESIGN QUESTIONNAIRE

Please answer these questions thoughtfully, as they will help you communicate to us what you'd like in your web design.

Your Name

Email Address

Phone

Company name

Company slogan, background & short description of services.

Who is your target market? Be very specific.

Will this be a new Web site design or redesign of existing Web site? If you already have a Web site will you be using your existing content?

What kind of feeling would you like your site to convey? (Examples: Formal/Corporate, Fun, Hi-Tech, or Other?)

When you want to start this project

Design deadline and is your deadline-fixed or flexible?

What kind of interactivity will your site need?

What is the core purpose of your website

Are you going to be accepting credit cards? If so do you currently have a merchant account?

Do you have any images and/or company graphics that should be used in your site?

Do you have any images and/or company graphics that can be used for reference

What type of colors should we use or avoid, if any?

If you've seen a design style that particularly appeals to you, please provide a website link so we can see it.

Are there parts of your site that will need to change regularly (i.e. products, prices, announcements, etc.)

Would you be interested in having us do updates and maintenance to your site?

Do you currently own your own domain(s)?

Do you currently have a Web hosting package? If so, what company currently hosts your site?

Additional info that we should know

After completing this questionnaire please click the 'submit by email' button below and follow the short instructions in the automatic pop-up window - It will open your default email program. Alternatively, save the document, attach it in email and send it to info@crazyslug.net
